MAGAZINE SALE

The Freshmen Class sold \$9 800 in magazine subscriptions and set a new school record. They sold \$2 600 more than 1978 freshmen. The school profit was nearly \$4 000.

Prizes were awarded for every three, six, and twelve subscriptions sold. Top salesmen were: Connie Gettys — \$500, Dwayne Hunt — \$490, and Jeff Hamrick — \$350. Prizes were: 1st place — TV or \$50; 2nd place — clock radio or \$25. 3rd place — giant stuffed dog or \$15. Mrs. Norris's homeroom won a free lunch at Quincys for being the top homeroom. Mr. Carver's and Mr. Campbell's homerooms run a close second and third. A disco fifth and sixth period on Oct. 20 rewarded all Freshmen who sold at least one subscription.

Mr. Carver would like to thank everyone who helped with the sale for their cooperation and understanding. "R.S. Central came in first but they won't next year," he added.

(The student body would also like to thank Mr. Carver for taking time to be the Freshmen Magazine Representative.)

Cavaliers Spook The Chargers

East vs. South Point

The Cavaliers' effort to crush the South Point Red Raiders ended in defeat. The "Battle of Belmont" at the Lineberger Stadium forced East to accept their first loss of the SWC young season, with a score of 21-8.

The game opened with a 71 yard drive in two plays by South Point for a score. Aided by penalty trouble from East, the Raiders took control. In an last attempt to ram the Raid-

ers, Ray Bristol broke into the open and scored a touchdown with Mark Baxter making a successful two point conversion.

East Vs. Crest

On a night fit for werewolves, vampires, and things that go bump in the night; September 15; the Cavaliers spooked the Chargers in a 14-0 victory. The heavy fog and full moon transformed the Cavs into winners.

Shelby Vs. East

Cavaliers Dampened To Defeat.

The game was East's first victory of the season, making them 1-1 in the SWC and 1-2 overall. The team harvested a pair of second quarter touchdowns, sown by a strong defensive effort. They also recovered four fumbles and held the team together to protect the score in the second half, while Mark Adair came through with two interceptions in very critical situations

Kings Mountain Vs. East

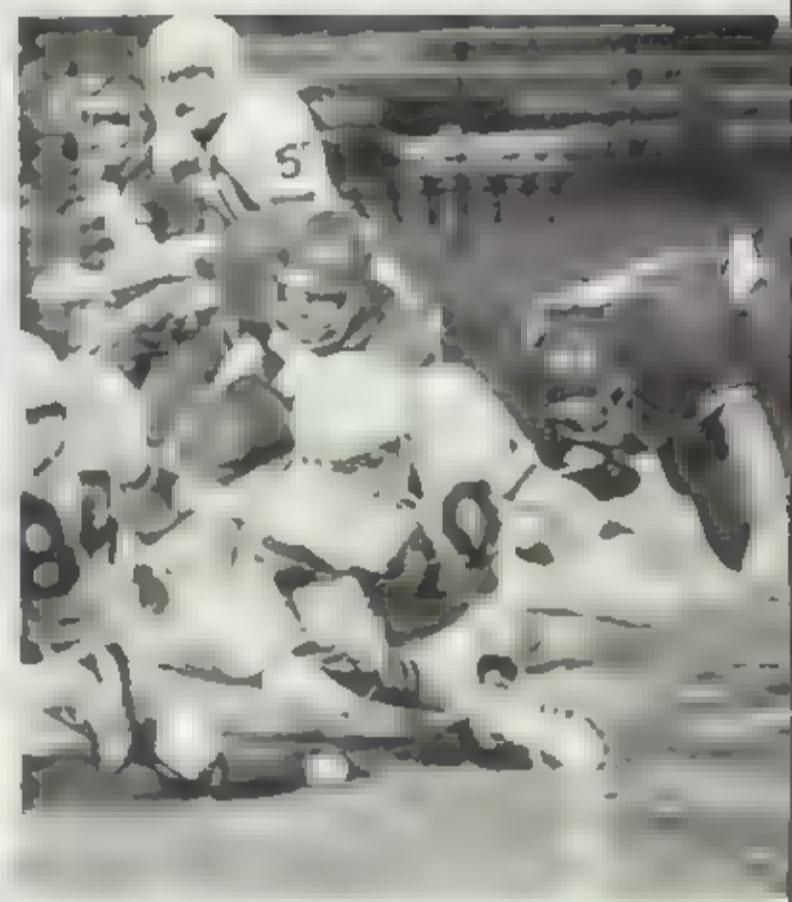

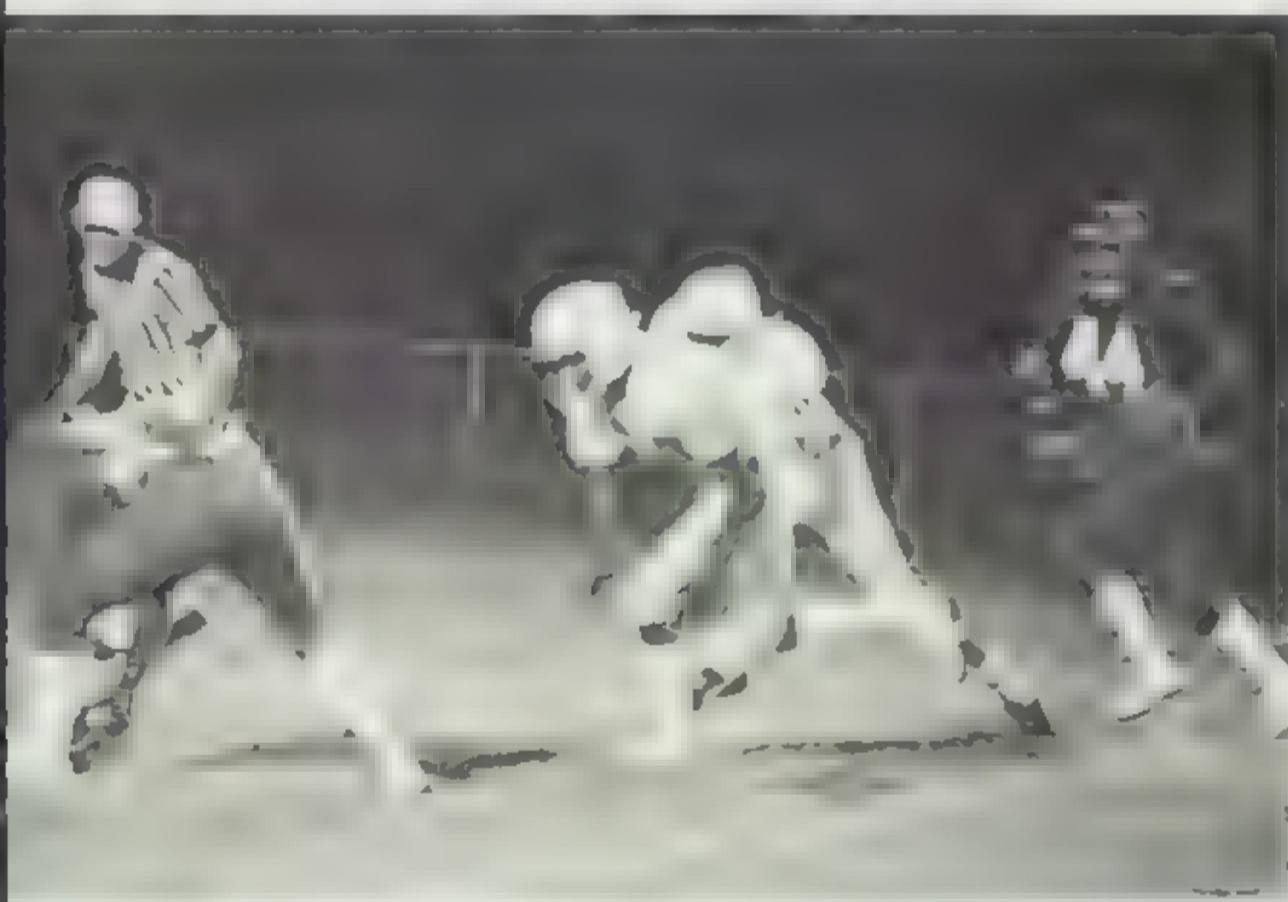

It was a dreary, rain-drizzled night at

Bryan Harrill Stadium on Sept. 22, and the team of the East High Cavaliers were dampened to defeat 14-0, by the Kings Mountain Mounties

The first half was monopolized by East's struggle to light up the scoreboard. After the scoreless first half, the Mounties took a 7-0 lead. East didn't give up easily and responded with a 60 yard drive that was eventually stifled by an interception. However, East finished the game with the most thrilling offensive drive of the Cav season!

East Vs. Shelby

Gloves and Blankets were the fad on Sept. 29 — an icy cold night in Shelby when East Rutherford faced the Lions. During the first quarter the offense couldn't seem to move the ball although the defense played well. The Cavs made too many mistakes in the 2nd half and the Lions capitalized on them. East just couldn't get it together, losing to Shelby 34-0 — except for Heyward Ross, who played his best defensive game — until after the game as they

munched on Big Macs

Burns Vs. East

It was Homecoming night, Oct. 6, and the East High Cavaliers were ready and willing to hand the visiting Burns Bulldogs their 21st consecutive loss by a score of 6-0.

In the first quarter, two quick Burns fumbles enabled East to score. For the most part, East used its familiar offensive pattern of three running plays into the line and punting on fourth down the rest of the night.

The second half proved to be a war between both teams defensive units, and each managed to gain

good yardage. The win gave East a 2-4 record.

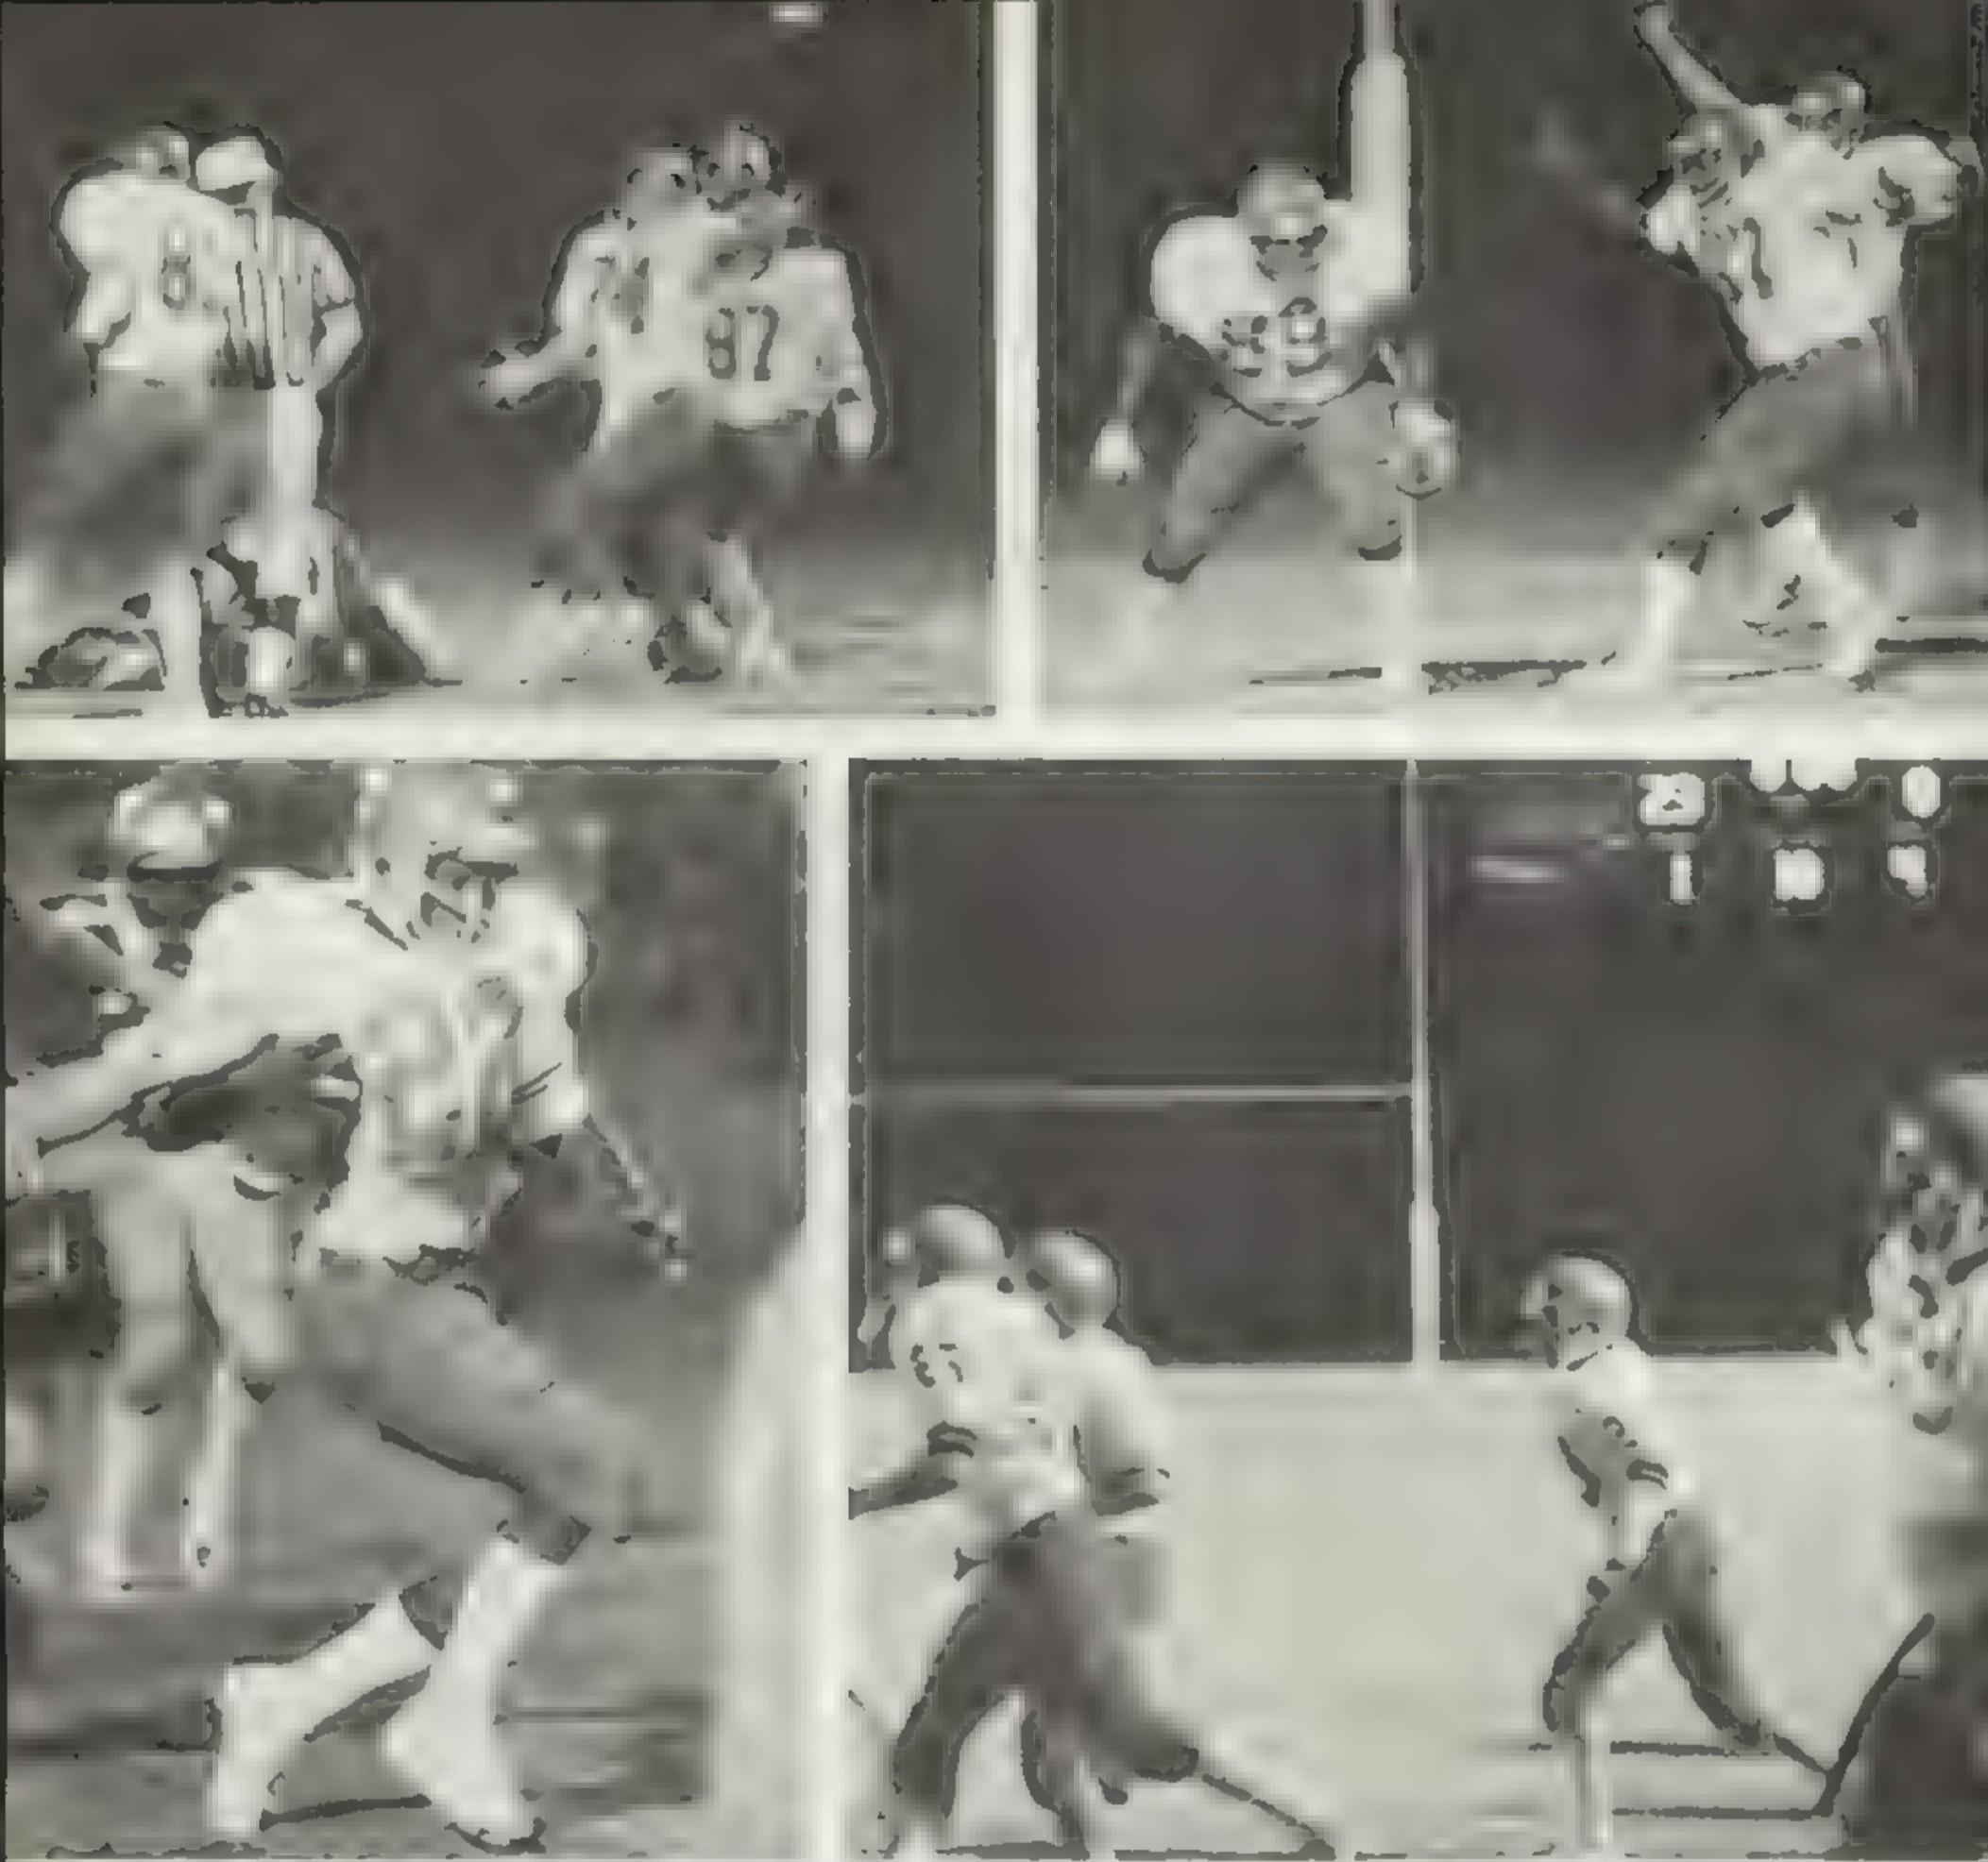

R-S Central Vs. East

The fact that it was Friday the 13th made little difference to the fiery-eyed Cavaliers, as they rolled across arch-rival Molehill 30-6. Because of tradition and blood-thirsty rivalry, the success of the entire season was found in this game — "The Game", now referred to by the Cavaliers as "Our Game".

The Red Machine rewarded Central's effort with a surprise gift — a swarming East defense, led by Steven Melton, who fell on a loose ball at the 9. Mark Baxter preceded to

run it in for the victorious first TD of the night. Donnie Wilson kicked the first of 3 PAT's for a score of 7-0 Baxter and Wilson again teamed up for an East lead of 13-0

In the second half, East took the opening kick-off to the Mole 10, but Whitaker's pass was intercepted. But the Moles fumbled and Greg Marshall popped on the run-away, taking it all the way for a TD. Whitaker went around right tackle for 2 to make it 21-6

It proved to be the last threat from the Hill. After Central's next punt, East scored again on another great run by Mark Baxter. Wilson's PAT was good to light up the board in the final lead score 30-6, and East emerged the victor over Central — undoubtedly cursed by the Unlucky 13 and the team effort of the BIG RED

East Vs. North Gaston

"We were real high for the game," Curtis remarked, "and were wanting

to get our heads above water as far as the conference record goes." The East High Cavaliers defense exploded into victory after overcoming a 12 point deficit in the first half over North Gaston. The solid performance of the Cavaliers plus two TD passes from Mark Whitaker to Ray Bristol sparked the victory as East defeated the Wildcats 34-12, and upped its conference record to 4-3

East Vs. Chase

On the devastating night of Oct. 27,

an excited and anxious crowd gathered at Chase's Allen Stadium to witness a stunning "Cavalier Crush" against the Chase Trojans 23-0 in a crucial Southwestern Conference game. After a scoreless first half, East displayed a pair of impressive touchdown drives in the second half to win their fourth game in a row and severely damage any play-off hopes for the Trojan team.

"It's been a long time coming," East High Head Coach Steve Curtis said of his team's win, "the first over Chase in four years."

For Chase, a noticeable and costly

handicap was the loss of 1000 yard rusher Chuck McSwain for the season from the previous week. Jeff Washington held tight and bored into the end zone for the final East score. Donnie Wilson kicked the extra point. The scoreboard was a definite surprise for everyone; a dream come true for the joyous Cavaliers and a startling upset for the Chase Trojans.

East Gaston Vs. East

On Nov. 3, at East, two of the best teams in the Southwestern Conference met in Bryan Harril Stadium to determine who would go to the play-

offs. The Warriors had to beat the "red hot" Cav team to keep their season going

East Gaston started in just as soon as they got hold of the ball, which made the score 7-0. The contest between the two teams went back and forth throughout game. The Cavs played on with all their team effort

but lost to East Gaston, 28-14. East ended the season with 5-5 overall and 5-4 in the conference

Commenting on the Cav season, Coach Curtis said, "I feel like we only got whipped twice this year; by Shelby and by South Point."

So the East High Cavs wrap up their season, and await the next 79-80 football season, proud of their efforts and victories this year

East vs. East Gaston
Strong inside play from their front line and balanced scoring added up to a total of victory for the Cavaliers for the first time this season at East Gaston. East maintained a slim margin throughout the game and outscored the Warriors 74-61 at the end of the final quarter.

First Victory, 74-61

East vs. South Point

The East Cavaliers powered a strong attack on the Raiders, but despite the attempt, they fell to a score of 72-64. The Cavs were hurt by foul trouble and a key turnover in crucial play of the third period. Although South Point shot to a 15-9 lead in the first, East roared back behind Lemuel Logan and Doug Simmonds to trim the margin 30-28 at the half.

Cavaliers Show Speed And Excitement.

Shelby vs. East

The game against the Lions and the Cavaliers began with a burst of speed and excitement for both teams. The end of the first period left the score in a deadlock tie of 21. The pace was somewhat slower in

the second quarter, and the Shelby score began to climb. The Lions hit the locker room with a decisive 5 point lead. Shelby dominated the last half of the game and led by as many as 22 points in the second half. The score ended in victory for Shelby 76-60 over the Cavaliers

Do-Or-Die Dual With Molehill!

East vs. R-S Central

Once more the Cavaliers sharpened their ability, to match those of its arch-rival Molehill in a do-or-die dual on the East basketball court. The first quarter revealed the hot hands of the Hilltopper, who set the opening pace for a 28-7 lead at the start of the second

The Cavaliers fared better in the second quarter, with Logan and Sim-

mons battling for needed points. East played well, but couldn't compensate for the slow start, which left the halftime score in the favor of the Hill, 49-25. The last half of the game remained about the same, with Central having the upper hand the majority of the contest. The Cavaliers' efforts in the final quarter were forced to defeat from the Hill, 88-51.

Mounties Run Up Scoreboard.

East vs. Kings Mountain

The night appeared to be a good one for the Cavaliers in the first half against the Kings Mountain Mounties. The Cavs worked hard and pulled together to keep the game close until the third quarter when the Mounties took the lead and ran up the scoreboard. The game was the first for the Cavs that they'd played without Donnell Simmons, which definitely made a difference in

the outcome. The final score was in the favor of the visiting Mounties 81-65

East vs. McDowell

In the Christmas Tournament, the East High Cavaliers lost to the McDowell Titans as they fell to a 83-57 decision. The Cavs pursued the Titans in a close game in the opening period, but the 6'8" Titan, Carroll Lewis, proved unstoppable as he

Fire In Lady Cavs Eyes!

East vs. South Point

The Lady Cavs dropped behind early to the Raiderettes, who were favored to win the Southwestern Conference this year. They made an all out effort, but lost in the end by a score of 73-43.

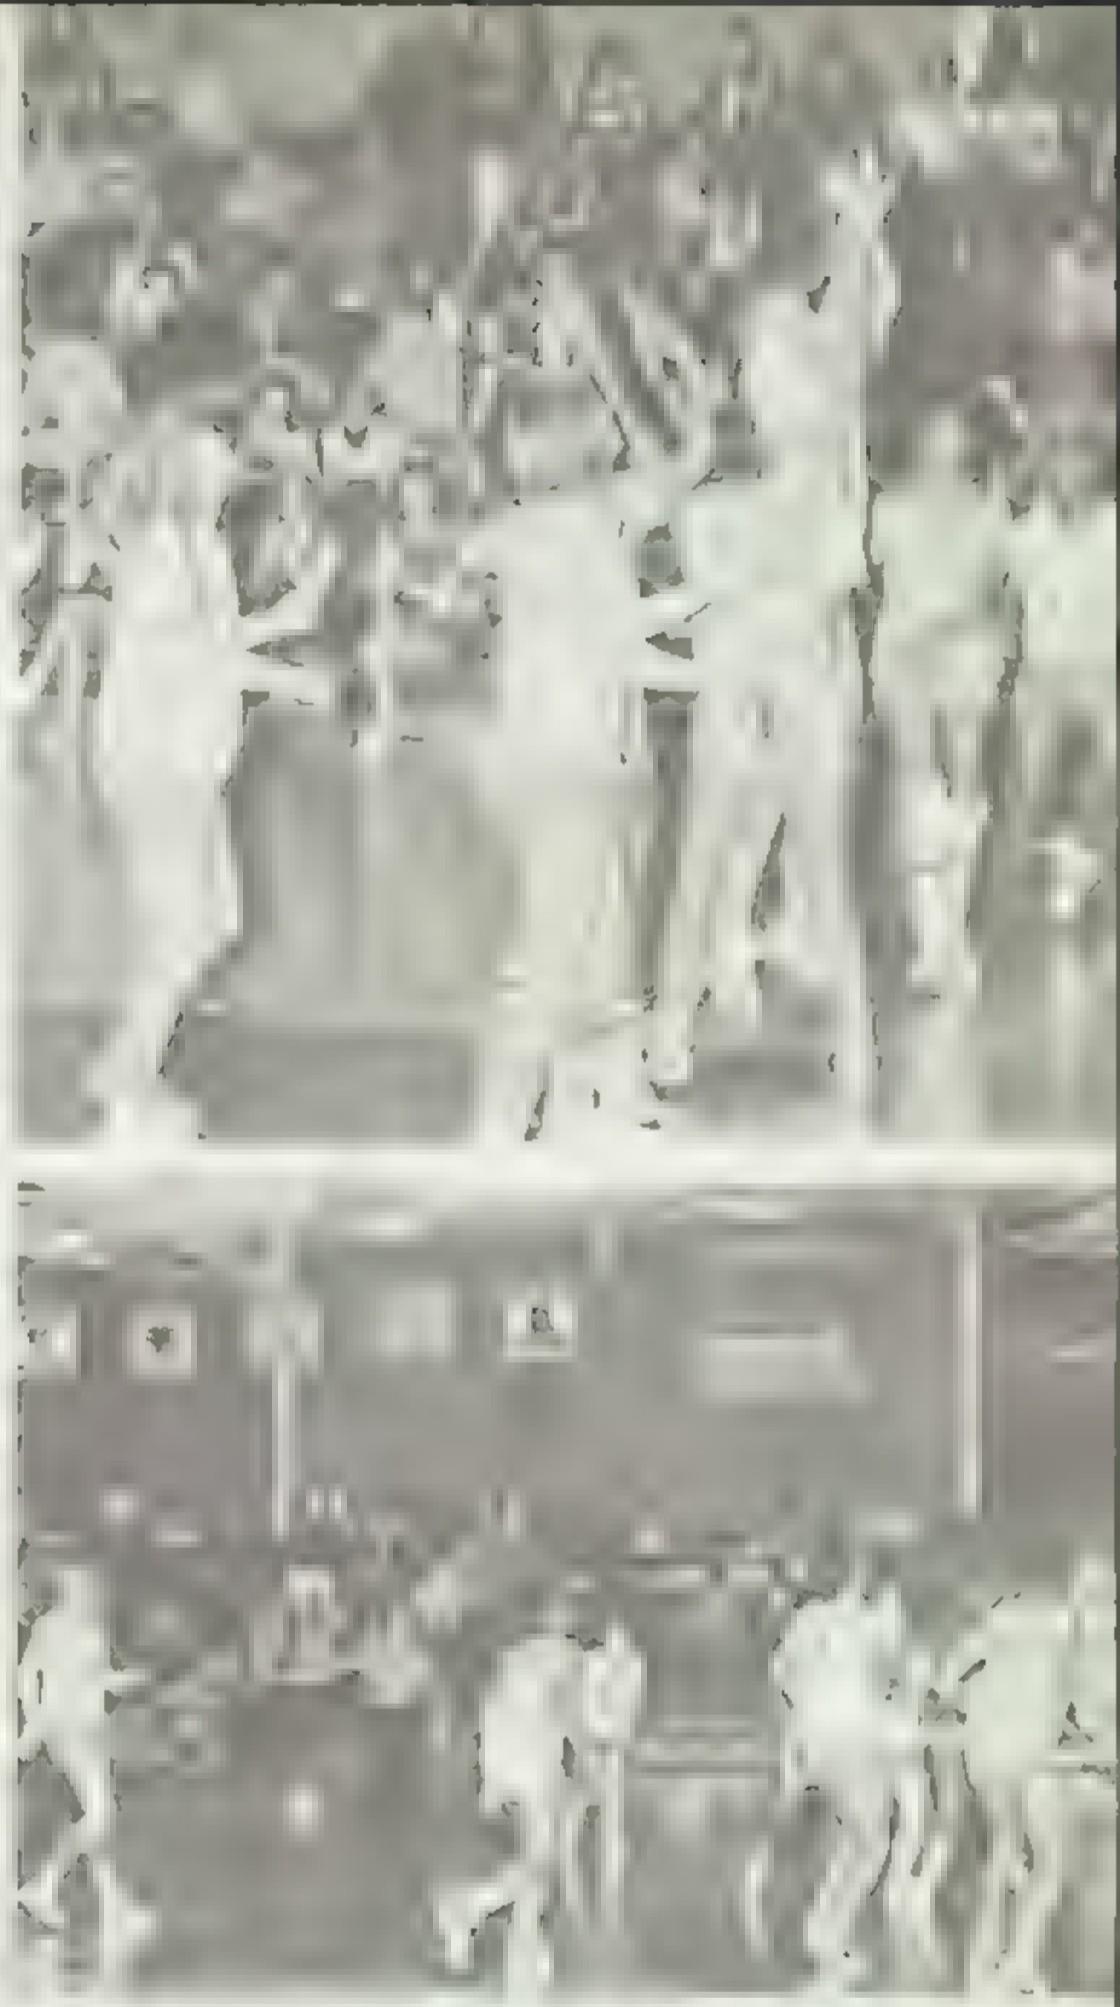

East vs. East Gaston

As usual, the Lady Cavs came out on to the court with fire in their eyes

The first half proved to be a good game between East and the Warriors. However, the third quarter turned the tide and quenched the fire for the Cavaliers, as they were defeated 48-29.

East vs. Shelby

The Lady Govs came sickeningly close to victory over the Shelby Lions, as they barely escaped with a two point advantage for victory. It

proved to be the East girls' best game of the season. They maintained a strong attempt and kept the margin super slim throughout the game. The deciding factor of the game's outcome was the foul shots. The Cavalier girls met their fate on the foul line and were forced to stop the score of 42-40 in the final quarter.

East vs. Central

Despite the efforts of the Lady Cavs, the Hilltoppers jumped to a 30-7 half-time lead. The Cavalier girls fared better in the second half however, but were unable to catch Mole-hill girls as they steadily increased their score to a 63-32 victory on the East court.

The Lady Cavs gave the Burns Bulldogs a run for their money in the start of the girl's basketball game at Burns. Suffering from the loss of Robin Bailey and Susan Billingly, the girls kept the score close in the first half. The third quarter was a crucial turnover as the Bulldogs fought back and took the lead. The Burns girls' dominated in the fourth quarter also, making the final score 56-21.

Worst Loss Of Year Against South Point.

East vs. South Point

The worst loss of the year came on Jan. 16 when the Lady Cavaliers were raided by South Point. During the first quarter the Raiderettes took a 14 point lead and in the second quarter held the lead 39-17. Ahead

by 33 points in the third quarter, South Point won 81-35.

East vs. East Gaston

On Jan. 17, the East girls' lost to East Gaston for the second time during the 1978-79 season. Although Gena Logan led the scoring with 14 points, it was not enough as the Lady Cavs fell behind in the first period, 14-8. Making a good come back in the third period was not good enough as the East Cavaliers lost once again, 78-57.

The Varsity Cheerleaders sponsored a spirit chain drive which proved to be very successful during the week of Homecoming. Early morning pep rallies were very successful because it gave the entire student body a chance to participate. The selling of spirit ribbons by the girls let everyone know that "Big Red" was again on the move. They did have problems though, due to the change of advisors and several members re-

"Some men see things as they are and say why. I dream of things that never were and say why not." — John F. Kennedy

This famous quote was the theme of the 1978-79 Homecoming at East High School. It represented the outlook of all people of life and was chosen in honor of the 1979 Senior class.

During half-time of the East vs. Burns football game Karen Wyatt escorted by Lynn Bailey, was crowned the 1978 Homecoming Queen. First runner-up was Sandy Deviney escorted by Jeff Bailey. Other representatives and escorts were present at the festivities also.

On Being A Senior — Vicki Hoyle

Being a Senior isn't always fun
Cause being a Senior keeps you on the run
It's homework in this class and homework in that
I can't remember where my mind was last
Being a Senior you don't play games,
But how to remember those historical names?
There's Krushchev, Brezhnev, and Kissinger too
Chaucer and Shakespeare, (to name just a few)
Papers to write everytime I turn around
It keeps the head spinning 'round and 'round
So much to be done it boggles my mind
When I think I'm ahead, I'm still far behind!
There's money for this and money for that
(Psst! Do you know the class where the gossip's at?)
There's AP, Physics, and of course Advanced Math
(I think we'd better just leave it at that!)
Gary, Gettys, Pope, Jones and Price, Mayse, Melnik, Cochran, and
Wright
What will they do without their '79 homerooms?
Will they sink into deep depression and gloom?
Well, they don't have to worry much about us
We'll be listening to our college professors fuss!

That was some game coach!

Hang in there Jeff!

WBBO... last has shown

School — The Past Dan Hamrick

I've been in school many years.
There have been good times, bad times
and sometimes tears.
I've had many principals, teachers
and even coaches
And some of them even used hypnosis
As I got to know these people very well,
There were a lot of those people who
kicked my tail
As I read the books and wrote the papers,
I grew up on Coca-Cola and vanilla wafers.
As I walked down the halls many a day
I could always hear my teacher say
Now write your paper and read your books,
And I say to myself you crazy little
shrook
Now I know I didn't study like I should've
But I'll be glad to leave this place for good

This is the kind of place
that'll take you into its arms.
Without trying to smother you.

Gardner-Webb is a small, church-related,
liberal arts college in the foothills of North
Carolina's Blue Ridge Mountains

"Small" in this case means about 1,500
students

"Church-related" means we're supported by
the Baptist churches in North Carolina and that our
campus life reflects the values for which these
churches stand. It also means we have a moral obligation
to be the best educational institution we possibly can.

"Liberal arts" means we hope to provide our students with a background
broad enough to get them through life, not merely to get them a job

And, as an indication of our commitment to the concept of a quality
education for every student, we're one of only a handful of liberal arts colleges in
the nation which offers all its programs to those with hearing impairments.

So, if our kind of place sounds like your kind of place, we encourage you to
write us at Boiling Springs, North Carolina 28017, or give us a call at
704-434-2361. Because that could be the beginning of a beautiful friendship.

Cone fabrics have meant ease and comfort right from the start—since 1895 when Americans first started living in them.

One of our early offerings was Cone deeptone denim. And soon we became the leading manufacturer of this popular fabric.

Next came corduroy. Once the fabric of kings, it became a favorite among Americans of all ages.

But Cone didn't stop there. In fact denim and corduroy are just two of the many fabrics that have won acclaim for Cone Mills in its 83-year history.

Today with 21 modern plants, Cone creates a whole line of quality fabrics for casualwear, sportswear, sleepwear, uniforms and career apparel. Fabrics for home decorating and sewing—even polyurethane foam—are now a part of the Cone family of products.

The almost 14,000 employees of Cone Mills are proud of their part in creating the basic fabrics that are the backbone of American casual fashion...and proud of the satisfaction each fabric gives you.

DEDICATION

During the past two years the lives of all East High students, faculty and staff have been touched by the courage, strength and faith of a member of our student body who kept smiling in the face of death. Linda Cantrell loved life. We have learned an important lesson from Linda. When she felt good, Linda wrote about not giving up, and looking to God for guidance, "because that's the answer." Most people get up in the morning, brush their teeth, and just take life for granted. We get up in the morning and say, "We're alive today. Isn't it beautiful?" There's no time to take life for granted. Linda stated in an interview with *The Charlotte Observer*, December 1, 1978.

Each day, let's all remember Linda's advice to the living. Because of this show of inner strength and her love of life, the 1979 Lancer is dedicated to Linda Ann Cantrell, May 2, 1961-December 29, 1978.

I SHALL NOT PASS THIS WAY AGAIN

Through this toilsome world, alas!
Once and only once I pass:
If a kindness I may show,
If a good deed I may do,
To a suffering fellow man,
Let me do it while I can,
No delay, for it is plain
I shall not pass this way again.

Being editor of the 1979 Lancer has been a very hard and nerve-racking job. At times, I wanted to throw my hands up and quit. It was a lonely job sometimes, but I always stuck with it because I love working on the annual. For 3 years it has been a part of my life and even more so this past year. Even though there were heartaches, I've enjoyed being editor of the '79 Lancer and feel very honored to have had this important position. It's been fun — especially getting to meet Andy Gibb, and I'll miss it dearly. During this past year, I have had help from many people who I am greatful to. I'd like to thank **Mrs. Smith**, for just being there, **Jerry Gay**, for being a fantastic company representative, and **my parents**, for caring and understanding. Thanks also to all the **teachers** — especially mine — for excusing the staff from classes, **Mrs. Pope**, for letting me out of homeroom, and the **Guidance Office**. To all the people at Carowinds and **Marcia Burwell**, thanks for helping us "pull it off" and thanks to **Andy Gibb** for choosing Mr. & Miss Lancer. And to **Allison Morrow, Wanda Philbeck, Max, Kaya, and David Gee** — I express my deepest gratitude for everything they have done for me. I couldn't have made it without them all.

This yearbook is very special to me and I love it more than anyone else ever could! But thank God it's over!

In May of 1978 I was informed that I would be the new Assistant Editor of the Lancer. My initial reaction was one of surprise as well as one of pride. Then it dawned on me, "That's a lot of responsibility!" Could I handle it? Would I be able to meet the challenges? Sure things got rough at times, but with the help of a great staff we stuck it out and somehow still managed to smile. I feel that I have become very close to each and every staff member. They are really a great group of people and I'll always cherish the good times we have shared.

I also had more help from some very special people. I would like to thank **Jock Laughter** and all the wonderful people at the Forest City Courier, who put up with me turning their office upside down looking for pictures, **Mr. Hamrick**, who always looked the other way when I was roaming the halls identifying pictures,

Mrs. Wheeler, who always understood when I just couldn't make it to homeroom, and especially **Bonita Hollifield**, who taught me all she knew about putting together a yearbook. Thanks gang, for being there when I needed you.
